**DEVELOPMENT OF THE FREE STATE PROVINCIAL INCENTIVE GUIDELINE AS PART OF
THE 2021/22 ANNUAL PERFORMANCE PLAN**

1. BACKGROUND

The nature of the South African, as well as the Free State's, economy is such that it is constrained and can barely grow without injections from external capital. This necessitates investment attraction to sustain growth and development of the local economy.

The necessity to develop this guideline emanated from the drive that exist in ensuring that the province becomes an attractive business destination. It is therefore crucial for the province to have a provincial document in order to serve as a guideline to motivate and entice investors to invest particularly within the province as guided by spatial, land use and economic policies.

The development of the Provincial Incentive Guideline (PUG) provides the necessary principles, processes, approval procedures, roles and responsibilities; enables a professional, consistent and transparent incentive management dispensation.

2. THE PURPOSE OF DEVELOPING PROVINCIAL INCENTIVE GUIDELINE

Whereas, the Province needs to provide incentives to demonstrate commitment in growing the economy, providing tangible jobs and supporting small and emerging businesses; whereas, the development incentives are introduced for the public interest ensuring that the province becomes the best and desired for business transactions.

The development incentive is guided by the rules set for participating in the development incentives program as provided for. Incentives have limitation as the intention is not to undermine municipal planning processes and related by-laws. Whereas the province recognizes the value adds of the incentive program to developers and business, benefit received shall be reasonably proportional to enhance value of the land and market rate of return to the development's capital. What is reasonable depends on the site, development proposal, market conditions and the state of the general economy. Thus the development incentive program will be applied on merit.

3. OBJECTIVES OF THE DEVELOPMENT OF PROVINCIAL INCENTIVE GUIDELINE

- To give effect to and direct inward investment ;
- Stimulate economic growth and maximize revenue generation;
- Encourage inclusive economy supporting both economies including small and emerging businesses; and

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.

This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
