BACKGROUND INFORMATION

Name of Contact person		
Postal Address		
Telephone Number	W:	C:
Fax Number		Email:

GEOGRAPHICAL INFORMATION

Property Description		
Physical Address where the development will take place		
Farm name(s)/ Erf No		
Local Municipality		
District Municipality		
SG21 Digit code(s) for the proposed site		
Co-ordinates of the proposed site/s (DDMMSS)	Latitude (S)	Longitude (E)

DETAILS OF THE PROPOSED ACTIVITY AND ENVIRONMENTAL CONTEXT

Does the proposed development involve the construction of a new facility or the expansion of a new facility?	
Have any activities physically commenced? If so, provide the date of commencement of these activities.	
What is the current zoning and current land use of the site(s)?	
State the extent of proposed development (ha/m ²)	
Describe the proposed development in detail (include capacities, output, etc.) and provide a concise description of all associated infrastructure with respect to the proposed development (e.g. the diameter and lengths of pipelines that may be required)	

Will the proposed development result in waste generation, effluent discharges, air emissions or impacts on the natural or cultural environment - briefly explain?	
Does the site(s)/route(s) form part of the Critical Biodiversity Area - If so, provide details	
Are there any watercourses on the site(s)/route (includes rivers, wetlands, drainage lines, streams etc.) or does the site fall within 32 m from the edge of a watercourse. If so, provide details.	
Does the site fall within 100 m of the high-water mark of the sea or an estuary?	
Does the proposed development fall inside an urban area?	
Describe what investigation or assessment have already been undertaken (if any) to inform this request. Provide attachment herewith	

PROVIDE A DETAILED DESCRIPTION OF POTENTIALLY LISTED ACTIVITIES THAT MAY BE APPLICABLE TO THE PROJECT

Listed activity as described in GN 327, GN 325 and GN 324 of the 2014 EIA Regulations as amended	Description of project activity that may trigger the listed activity – if activities in GN 327 are triggered, indicate the triggering criteria as described in the second column of GN
e.g. GN 327 Activity No. 3:	e.g. The development and related operation of facilities or infrastructure for the slaughter of animals with a (i) poultry exceeding 50 poultry per day

Identified Competent Authority to consider the application:
Reason(s) in terms of Sec 24C of NEMA 1998, as amended

DECLARATION BY THE PROPONENT / ENVIRONMENTAL PRACTITIONER

I.....in my personal capacity or duty authorised thereto I hereby declare that I:

- regard the information contained in this checklist to be true and correct;
- am fully aware of my responsibilities in terms of the National Environmental Management Act (NEMA) Act No. 107 of 1998), the Environmental Impact Assessment Regulations (EIA Regulations), 2014 as amended in terms of NEMA (Government Notice No. 982 refers) and the relevant specific environmental management Acts, and that failure to comply with these requirements may constitute an offence in terms of the environmental legislation;
- am fully aware that the Department's determination of the applicability of the EIA Regulations 2014 as amended is based on information at my disposal that is relevant to this request;
- aware that the response from the competent authority, to this request, is specific to the EIA Regulations 2014 as amended and does not exempt me from my legal obligations in terms of any other applicable legislation; and
- am aware that a false declaration is an offence in terms of regulation **48 GN No.40772**
